

PUBLIC SCHOOL CHOICE

When schools do not meet State targets for improving the achievement of all students, parents need to have options, including the option to send their child to another school. Title I, Part A of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB).

The *No Child Left Behind Act* provides you, as a parent, the option to transfer your child to another public school within the district with transportation provided by the district. However, at this time we do not have a school to which your child can transfer. We have contacted neighboring districts to request that they provide us with a school we can offer you as an option. No school district has agreed to do so this school year.
